<p>To provide library and information services and resources which support the curricula of SJRCC, meet the needs of our students and faculty and support the life-long learning goals of all of all library users. Supports SJRCC mission statement number 7</p>	<p>Provide “snapshot” workshops on various information technology topics in addition to the standard information literacy tours provided for Comp I, II, & III. Trial series offered to students on the Orange Park Campus in conjunction with the Academic Business & Computer Department.</p>	<p>Student attendance.</p>	<p>Workshops were poorly attended. It was determined that students would prefer online content which they can access at their own convenience rather than pre-scheduled in-person instruction outside of the classroom.</p>	<p>SJRCC libraries will no longer offer the workshops, but will focus on providing online content through our SJRCC library web site.</p>
