<p>Expanded Statement of Institutional Purpose (PROGRAM OR FUNCTION) **Must be tied to institutional philosophy & purpose.**</p>	<p>Intended Outcomes/ Expected Results</p>	<p>Assessment Method & Criteria</p>	<p>Assessment Results</p>	<p>Use of Results</p>
<p>To address the need for additional computer resources at the St. Augustine Campus Library while addressing the lack of physical space available in the library for new computer workstations, the SAC library will acquire wireless internet access and laptops for student use.</p> <p>Supports the library mission to provide library and information services and resources which support the curricula of SJRCC, meet the needs of our students and faculty and support the</p>	<p>A wireless system providing internet access and printing. Laptops for students who cannot bring their own to ensure accessibility of resources/bridge the digital divide.</p>	<p>After exploring the feasibility and cost of such a system, a grant was written by the SAC Public Services Librarian and submitted to NEFLIN. Laptops were requested for each campus library.</p>	<p>The grant application was denied, however the need for wireless access and the feasibility of providing such a resource was confirmed during preparation of the grant.</p>	<p>The library will pursue wireless access for all campus libraries through SJRCC. The libraries will also request laptops for student use through SJRCC.</p>
