

St. Johns River Tech Prep Consortium
 Serving Clay County, Putnam County, St. Johns County,
 First Coast Technical Institute and St. Johns River Community College

Public Service: Criminal Justice

TECH PREP provides students with a specialized curriculum to build competence in communication, math, science and technical skills. This better prepares students to advance into the First Coast Technical Institute or the St. Johns River Community College for a certificate program and/or a two-year Associate in Science/Applied Science degree that prepares them for immediate employment or to continue their education. This is a recommended program of study. See your guidance counselor for details.

Program of Study	Freshman	Sophomore	Junior	Senior	Electives/Dual Enrollment
Criminal Justice Operations		Criminal Justice Operations 1	Criminal Justice Operations 2	Criminal Justice Operations 3	CGS1100 Microcomputer Aps Software PSY 2012 General Psychology ENC 1101 Composition I FIN 1100 Personal Finance GEB 1011 Introduction to Business

St. Johns River Community College

Certificate Programs

- Auxiliary Law Enforcement Officer
- Corrections Officer
- Correctional Officer – Crossover from Law Enforcement Officer

AS Degree Programs

- Criminal Justice Officer Administration

Dual enrollment technical courses are recommended for electives. Please contact your guidance counselor to see what opportunities are available for you. St. Johns River Community College offers technical dual enrollment for students who meet the criteria.

Program of Study

If the recommended program of study is followed, a student will have completed clock hours at First Coast Technical Institute or St. Johns River Community College. Students may also earn credit in an AS Degree program at SJRCC through the Institutional Exam process and/or dual enrollment.

Secondary Program	Post-Secondary Programs - Certificate	Post-Secondary Programs AS Degree
Criminal Justice Operations	No credit granted	Criminal Justice Officer Administration – BAT exam fee of \$35 paid for students who complete all 3 secondary courses and maintain a 3.0 GPA in the tech prep program of study with a 2.0 GPA overall. Students who successfully complete the BAT exam and meet all other admissions requirements to the Law Enforcement program will be given priority admissions status for the next available academy class.
