

# Fire Sprinkler Systems Apprenticeship

VOCATIONAL CERTIFICATE

This program of study is designed to prepare students for mastery in general Fire Sprinkler Systems through theory and on-the-job training. Fire Sprinkler Systems is a four-year apprenticeship program. At the end of the program, students will be eligible for a Journeyman's license. Students are paid for on-the-job training, and they receive periodic pay raises.

For additional information, call (386) 312-4183.
