NOTE: An individual who has been involved in a criminal proceeding or who has been charged with or convicted of a crime should file a pre-application with the ARRT in order to obtain a ruling on the impact of the situation on their eligibility for certification and registration. A charge or conviction of, plea of guilty to, or a plea of nolo contendere (no contest) to an offense which is classified as a misdemeanor or felony constitutes a conviction for ARRT purposes. This includes situations in which the result is deferred or withheld adjudication, or suspended or withheld sentence. For further information contact the American Registry of Radiologic Technologists, 1255 Northland Drive, St. Paul, MN 55120-1155 Telephone (651) 687-0048 Ext 8580.

Each candidate must satisfy the following requirements to be considered for admission to the Radiology Program:
(Please check all that apply)

- I have completed the application process to SJRCC.
- I have achieved satisfactory scores on college placement tests or have completed all college preparatory courses.
- I will have or will complete the 10 pre-requisite courses by the end of the Spring semester 2009 with grades of "C" or better.

NOTE: This application is good for year of application only and must be resubmitted each year. Falsification of any part of this form will be grounds for denial of admission

STUDENT SELECTION: The student selection process is based on the following point system:

1. COURSE/GRADE POINTS – Points tabulated from the prerequisite courses identified in the admission requirements will contribute to the total points assigned to this category. A total of 31 semester hours of credit are available for point consideration. The method of point calculation for this category is based on the following formula: (Letter Grade value X credits per course = Points assigned). Total possible = 124
2. DEGREE POINTS – If the applicant has a college degree prior to application, points will be added as follows: AA/AS = 5 points, BA/BS = 10 points, MA/MS = 15 Points. Total possible = 15
3. POINTS FOR PRE-REQUISITE COURSES TAKEN AT SJRCC – 2 points will be given for each prerequisite course taken at St. Johns River Community College. Each Human Anatomy & Physiology course + it's lab counts as 1 course. Total possible = 20
4. POINTS FOR RESIDENCY. Residence in Clay, Putnam, or St. Johns counties, Florida. (Not required). Add 15 points for residency in the indicated counties.
5. CERTIFICATION POINTS – Current certification as a Basic X-Ray Machine Operator. Total possible = 20

List what courses, if any, you are enrolled in for the Spring 2009 semester (Jan. 7, 2009 – April 28, 2009)
